

Warm-Up Home

Fast bottle warmer and sterilizer 4 IN 1

- For domestic use
- Multifunction 4-in-1:
 - Defrost
 - Gentle heating and maintenance of bain-marie temperature
 - Fast heating in 2-3 minutes
 - Fast steam sterilization for baby bottles and other accessories in 3-10 minutes
- Wide compartment (ø 95 mm) to accommodate baby bottles or containers of different sizes and materials
- Easy to use: with knob for easy setting of functions and large display

Warm-Up Home is an advanced bottle warmer that uses a state-of-the-art PTC heating technology with smart temperature control, fast, even heating in 2-3 minutes and precise, constant temperature. Four different modes available: defrost, gentle heating and temperature maintenance (water bath), fast heating and steriliser mode. You can use it with J BIMBI® bottles and with all major bottle brands. Safe and easy to use thanks to its intuitive display and settings dial.

Supplied with

Bottle holder, protective grid, steriliser lid, water measure and instruction manual.
